PROFESSIONAL EXPERIENCE

UX/UI Designer – WOOO Social Games, Inc.
Key Biscayne, FL (USA) / Barcelona (Spain) — Remote | 2023–2025

- Designed and improved user interfaces and interactive flows for mobile and web gaming products, focusing on usability, engagement and visual coherence.
- Worked closely with product managers, developers and stakeholders to translate user needs and business goals into clear design solutions.
- Contributed to the development of a scalable design system to ensure consistency and smoother handoff to development teams.
- Collaborated with other designers by sharing workflows, prototypes and best practices to align design quality across projects.

Senior Graphic Designer – Pongomilogo
Barcelona, Spain | 2017–2022

- Designed brand identities, packaging, and marketing campaigns.
- Collaborated directly with clients and marketing teams to deliver strategic creative solutions.

Art Director – Eureka Media
Reggio Emilia, Italy | 2013–2017

- Directed creative strategy and visual direction for regional and international campaigns across corporate, cultural and exhibition sectors.
- Led and mentored a small design team, coordinating designers, photographers and copywriters to ensure cohesive project delivery.
- Managed client relationships, from concept presentations to final approval, translating business and brand objectives into impactful visual solutions.
- Designed and curated visual identity, layouts and digital/print materials for major international ceramics exhibitions, enhancing brand visibility and audience engagement.
- Ensured consistency across all touchpoints—branding, editorial, events and digital media—while balancing creativity, budgets and deadlines.

Financial Services & Client Experience Specialist – Citi Bank
Barcelona, Spain | 2008–2013

- Promoted and sold financial products, achieving high customer satisfaction and sales targets.
- Managed back-office operations, documentation, and compliance with banking procedures.
- Collected customer insights and collaborated with internal teams to improve service efficiency and user communication.

Graphic Designer / Senior Graphic Designer — Eureka Media
Reggio Emilia, Italy | 2004–2008

- Designed visual identities, packaging and advertising for commercial and cultural organizations.
- Developed integrated marketing campaigns, aligning design, storytelling and market positioning.
- Collaborated with photographers, copywriters and magazine editors to create visual content for advertising and editorial publications.
